## NOTICE TO NAVIGATION INTERESTS

### KISSIMMEE RIVER NAVIGATION CHANNEL

1. Revision to the Notice to Navigation Interests dated 24 September 2002 regarding the extreme drawdown of Lake Tohopekaliga (Toho).
2. Due to near-record rainfall in the Kissimmee Basin, officials from the Florida Fish and Wildlife Conservation Commission (FWC), U.S. Army Corps of Engineers and South Florida Water Management District agreed to postpone the drawdown of Lake Tohopekaliga.
3. East Lake Tohopekaliga, Lake Tohopekaliga, and Lake Kissimmee, Hatchineha, and Cypress will be regulated according to their existing regulation schedule and all locks and spillway have resumed normal operation.
4. Boaters are encouraged to exercise extreme caution do the potential of unusual extreme turbulent waters in the area around the locks and spillways.

FOR THE COMMANDER:

GORDON M. BUTLER, JR.  
Chief, Construction-Operations  
Division
